

Face Coverings are Required to be Worn in this Facility

CDH requires a face covering be worn by patients and individuals entering our facility to receive medical care or other services.

EXCEPTIONS INCLUDE:

- Children under the age of five (5)
- Those who cannot medically tolerate wearing a face covering
- Those who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication
- Persons receiving care involving the nose, face, or head for which temporary removal of the face covering is necessary

IF YOU DO NOT HAVE A FACE COVERING, ONE WILL BE PROVIDED TO YOU. THANK YOU FOR YOUR COOPERATION!
